1. This policy establishes procedures for dealing with excessive stereo noise coming from privately owned vehicles (POV) operated on Fort Richardson (FRA), Alaska.
2. This policy is applicable to the owners/operators of all POVs operated on FRA. All POVs operated on FRA are subject to the provisions established herein.
3. For this policy "Excessive Noise" is defined as: playing music, recordings or amplifying instruments generating loud sounds or noises from a POV that can be heard beyond 50 feet of a vehicle.
4. The Military Police (MP) may cite individuals in violation of this policy under two provisions:

If a person fails to comply with applicable laws and regulations, their driving privileges may be suspended or revoked by the USAG-AK Garrison Commander as outlined in AR 190-5. Consideration will be given for location, time of day or night, and will be equally applied regardless of race, rank, gender, status (civilian, DoD, or active duty), or the type of music being played in the POV.
6. Failure to comply with this policy can result in the violator being:
 - a. Issued a DD Form 1805 (Disturbing the Peace) by the MP.
 - b. Issued a warning letter from the USAG-AK Garrison Commander through the Chain of Command.
